

BSR Terms of Use

By ordering the Business Scenario Recommendations for SAP S/4HANA ("BSR"), you agree that SAP may contact you with solution tailored offers in relation to the implementation of SAP Software. You are required to provide SAP with Company's historical production usage data ("Company Data") as specified on the BSR web site www.s4hana.com or communicated to you to enable SAP to use the BSR tools and create a Business Scenario Recommendations report. SAP may use Company Data solely for (i) creating a BSR as well as any further related report(s) requested by or on behalf of Company and (ii) the purpose of testing and improving SAP's software, products or services. Company Data shall be considered the Proprietary Information of Company and shall be protected from disclosure in accordance with the terms of the License and this Agreement. Company will not provide SAP with Company Data that contains any information about an identifiable individual ("Personal Information"). Company will ensure that Company Data is cleansed of all Personal Information prior to providing such Company Data to SAP. SAP may elect to provide Company with results ("Results") of tests performed on SAP's software, products or services using Company Data. Company may use Results solely for the purpose of evaluating the Results. Company may not use Results in a production environment or to support its business processes, planning or decisions. Results shall be considered the Proprietary Information of SAP and shall be protected from disclosure in accordance with the terms of the License and this Agreement. Company Data and Results are provided at the sole discretion of the disclosing party on an "AS IS" basis. Neither party makes any express or implied representations or warranties as to the accuracy, completeness, reproducibility or availability of Company Data or Results.
